Citation for Honorary Degree
**The Rev. Ken De Groot, O.Praem., '58,
and Sister Melanie Maczka, HMIED**

The Rev. Ken De Groot, O.Praem., and Sister Melanie Maczka, HMIED, co-founders of Casa ALBA Melanie in Green Bay, are being enthusiastically honored for their profound impact on the community. De Groot's six decades of priestly ministry, particularly in serving the Hispanic community, and Maczka's advocacy and leadership, exemplify their commitment to service and compassion.

Casa ALBA Melanie, established in 2012 and named after Maczka, has flourished under De Groot's and Maczka's guidance, becoming a beacon of support for Latino families in northeast Wisconsin. The organization has worked diligently to empower and integrate Green Bay's Latino population into the broader community through education, outreach and social services. Its approach is holistic, ensuring every aspect of an immigrant's life is considered and supported.

De Groot's and Maczka's work reflects the Norbertine tradition of radical hospitality, steeped in community, compassion and service. Further, their legacies extend beyond tangible successes, inspiring others to serve and engage in community building.

In recognition of their enduring impact on social justice and community empowerment, St. Norbert College proudly confers upon the Rev. Ken De Groot and Sister Melanie Maczka the honorary degrees of Doctor of Humane Letters, *honoris causa*.

Citation for Honorary Degree
Paul Wadell

St. Norbert College proudly awards Professor Emeritus Paul Wadell the honorary degree of Doctor of Letters in recognition of his outstanding contributions to academia and his profound impact on the college community. As a distinguished scholar and esteemed educator in theology and religious studies, Wadell elevated the college's reputation to national acclaim, leaving an indelible mark on generations of students.

Hailing from Louisville, Ky., Wadell's journey from Bellarmine College to his tenure at St. Norbert College is marked by a passion for scholarship and a commitment to excellence. Throughout his illustrious career, he authored numerous books and scholarly articles, notably pioneering the retrieval of virtue theory from Aquinas, which continues to influence moral theology.

Wadell's influence extends beyond our campus, as evidenced by his leadership in NetVUE, his dedication to fostering vocation exploration and his personal commitment to the common good. His profound impact is felt not only in the classroom but also in his genuine care for others, exemplifying the college's motto, *Docere Verbo et Exemplo*.

In appreciation of his exceptional character and contributions, St. Norbert College honors Professor Emeritus Paul Wadell with the esteemed degree of Doctor of Letters, *honoris causa*.

Please visit snc.edu/commencement for full citations celebrating honorary degree recipients.

Faculty Award Recipients

The Rev. Dennis Burke, O.Praem., Leadership Award

John Dose

Named after the Rev. Dennis Burke, O.Praem., a Norbertine who served as the second president of the college from 1955 to 1968, the award is given for sustained leadership, commitment and excellence related to activities that have enhanced the college. The Rev. Burke was renowned for his leadership and commitment, and this award is intended to recognize faculty who have attained the rank of professor and who demonstrate those same attributes in an ongoing manner. Consequently, it is intended to recognize those individuals who have shown significant collegial and/or administrative leadership and commitment to the ideals and mission of the college, particularly since achieving the rank of professor.

The Donald B. King Distinguished Scholar Award

David Bailey and Jamie O'Brien

This award publicly recognizes and rewards faculty who have made significant professional contributions in their respective fields of study. The criteria for selection include the quality and significance of the scholarship and/or creative works as ascertained by peer review; degree of professional recognition; prestigious grants and honors received; presentations made at local, regional and national conferences; and effective integration of scholarship and pedagogy. The recipients of the award are chosen by the president based upon the recommendations of the divisional deans and the vice president for academic affairs of the college. The Distinguished Scholar Award is named in honor of Donald B. King, a classics scholar who served as dean of St. Norbert College from 1967 through 1978.

The Leonard Ledvina Outstanding Teacher Award

Eric Hagedorn

Leonard Ledvina '43 devoted his life to education, both as a student and as an educator. This, combined with his special affection for St. Norbert, led him and his family to establish the Leonard Ledvina Outstanding Teacher Award at St. Norbert College. The award recognizes and rewards faculty who have reached the highest level of achievement in fulfilling the college's first academic priority: dedication to excellence in teaching. The recipients are chosen by the president, based on the recommendations of the divisional deans and the vice president for academic affairs of the college.

The Bishop Robert F. Morneau Community Service Award

Lucy Arendt

This award publicly recognizes and rewards a faculty member who has made significant contributions to the betterment of the community through his or her own service on a local, regional and/or state level. The primary motivation of the recipient should be a concern for the enrichment of the community rather than any personal gain. The recipient is chosen by the president in consultation with the deans of each academic division and the vice president for academic affairs of the college.
